As the newly appointed Parks and Recreation Director, I express my gratitude to the residents for their hospitality and offer my sincere thanks for the warm reception I have received. Over the past several months, I have had the pleasure of getting acquainted with this remarkable community and its diverse resident population. As I strive to foster an inclusive and vibrant environment, I aim to engage with Garden City's residents on a deeper level to better understand their leisure preferences and needs. Drawing inspiration from my mother's commitment to community service, I believe that a thriving community is reliant upon the active and dedicated involvement of its members. I have been genuinely impressed by the multitude of individuals in Garden City who contribute to various facets of community life, from their families and workplaces to civic organizations and religious institutions.

To demonstrate our commitment to diversity, equity, and inclusion, our department has already begun exploring strategies to incorporate these values into our programs and services. By aligning our initiatives with the principles of diversity, equity, and inclusion, we aim to create a space where everyone feels welcome and represented within our parks and recreational offerings. Identifying specific needs within Garden City will aid us in developing tailored programs, leading to a more enriching and inclusive experience for all residents.

We are actively seeking instructors for various enrichment activities, fitness programs, personal training, and more. Our objective is to expand our current range of offerings and cater to the diverse interests and preferences of Garden City residents. I encourage you to contact me if you have any ideas, suggestions, or information that can help the Parks and Recreation Department connect with interested residents or groups. We are especially interested in learning about specific populations within the community who may have specific leisure service needs. Your input is invaluable as we strive to improve our services and offer experiences that enhance the lives of Garden City residents.

By acknowledging the importance of community service and embracing the principles of diversity, equity, and inclusion, we can create a space that celebrates the unique interests and needs of all residents. I am excited to hear from you and work together to build a stronger, more vibrant Garden City.

Contact Robert Fossum at 276-1200 or Robert.fossum@gardencityks.us for more information.

Garden City Parks and Recreation is offering Spring Training Baseball and Fastpitch Softball camps. We believe that the athletic field can serve as one of the best platforms for teaching and learning many of life's most important lessons. Teamwork, leadership, respect for others, and maximized effort are a few crucial principles that guide everything we do on the field. These camps are offered to boys and girls ages 8-14 years of age. Camps will be conducted by the GCHS Baseball team.

MINI SLUGGERS

Get your little ones started with the fundamentals of baseball/softball. This coed league is open to boys and girls age four. This program emphasizes fundamental skills. Children are assigned to teams by school or area. Teams will meet on Monday evenings for a 45-minute practice and Wednesday evenings for a three-inning game. Age Determination: May 1, 2024.

YOUTH BASEBALL TOURNAMENTS

This league is for traveling baseball teams. Teams will be split into two divisions, 12U and 10U. Coaches will need to provide a roster to the recreation with their team's players' names listed on it. Each participant will need to register individually but cannot sign up if they are not on a team's roster. This league is designed to get traveling teams scheduled practice space and preseason games to work on offensive and defensive situations. Teams will play an 8-game season on Tuesday and Thursday Nights at Peebles.

TEE BALL

Children are assigned to teams by school or area. Teams will meet twice weekly. Practices will be held on Tuesdays and games will be played on Thursdays. The program begins with team practices followed by a six-game season. Age Determination: May 1, 2024.

SPONSORSHIPS FOR YOUTH SPORTS

Interested in getting your business name out to the public? This is a great way to do that while supporting the local youth.

BASEBALL AND SOFTBALL LEAGUES

Becoming a \$225 sponsorship provides T-Shirts for a youth baseball or softball team with your logo on the back of the t-shirt. The sponsoring agency's name then becomes the team's name.

SOCCER, FUTSAL, BASKETBALL, VOLLEYBALL, AND FLAG FOOTBALL LEAGUES

For leagues, the sponsor will get the entire league or division with their logos on the back of each shirt. Sponsorship levels vary.

VOLUNTEER COACHES

Garden City Parks and Recreation offers team recreational experiences for community youth that rely on the important assistance of many volunteer coaches. Experience is second to willingness to coach the youth. Any person who coaches or assists with any activities is required to pass a background check before coaching. A clinic will be held to teach you the fundamentals of coaching. Sign up now and experience the rewards of working with youth athletics.

5 ADVANTAGES OF COACHING WITH GCPR

- Spend more time with your child.
- Expand your social network and create lifelong relationships.
- Coaches select the night and time that your team would practice.
- Develop the ability to communicate more effectively.
- Head Coaches will receive a 100% credit back onto their account (for the child that they coached), which can be used towards any future Recreation program if they complete these 6 requirements:
 - Attend coaches meeting
 - Complete background check
 - Pick up equipment and roster
 - Hold and attend practices
 - Coach games
 - Return equipment

Contact Robert Fossum at 276-1200 or Robert.fossum@gardencityks.us for more information.

PERSONAL TRAINING

Working out can be intimidating. It's normal to have goals and be unsure how to achieve them, and it's completely normal to lack motivation at times. A personal trainer can help you overcome your obstacles and take you to new heights on your fitness journey. Individual, Couple, and Group Sessions are available.

Call (620) 277-7894 to schedule a free consultation. After your consultation, your trainer will schedule a complimentary training session provided to you at no cost. After your first session, you can decide if you would like to commit to a personal training package.

A gym membership is required to better enhance your fitness journey. Our personal trainers will provide unique weekly workouts to avoid plateaus in one's journey to a healthier life.

GYMNASTICS

TINY TOT TUMBLERS (AGES 1-2)

Tiny Tot Tumblers is a 30-minute class with parent involvement, where the child and their parent explore different activities using various pieces of gymnastic equipment. The focus will be on balance, strength, gross and fine motor skills development, all while having fun and experiencing success!

TOT TUMBLER (AGE 3)

Tot Tumbler is a 35-minute class with parent involvement being optional. The child will begin learning age-appropriate skills using beams, bars, floor, vault, and trampoline. Children learn to wait their turn while coaches lead children through various obstacle courses; or teach other age-appropriate skills, such as forward rolls, basic walks on the beam, and bar swings.

KINDER GYM (AGE 4-5)

This is a 40-minute class for children to develop age-appropriate skills. Children attend without parental assistance. Gymnasts learn new skills and drills that will further their gymnastics experience. Children learn to wait their turn, follow directions, and make friends while learning gymnastics fundamentals: forward rolls, backward rolls, cartwheels, and bar swings.

BEGINNERS (AGE 5+)

This is a 55-minute class that focuses on skills using the balance beam, bars, floor, vault, and trampoline. Children gain strength, flexibility, balance, and basic gymnastic skills. Coaches will focus on teaching fundamental gymnastics skills: forward rolls, cartwheels, and handstands.

*** Classes register monthly and are available for registration starting the 3rd week of the prior month. Gymnastics is a progressive sport, and continuation through each month is encouraged.**

ADVANCED BEGINNERS

Advanced Beginners is a 55-minute class that moves faster than the Beginners Class. Gymnasts will learn skills that help them focus on all gymnastics apparatuses. Coaches focus on building a firm foundation for progression into the Advanced class. Advanced Beginners focuses on round-offs, backbend kick overs, and pullovers on bars. Coaches approval is required before signing up for this class.

ADVANCED

Advanced continues gymnasts' love for all-around gymnastics. In this class, gymnasts learn to kip, mount, and fly away on bars, continue beam work, and introduce cartwheels and walkovers. In addition, we also teach gymnasts to vault over the table vault and learn complex tumbling front and back skills. Coaches approval is required before signing up for this class.

JR NINJA (AGES 6-9)

This class focuses on obstacle course training. The training includes pushing, pulling, jumping, balancing, and improving strength. This class seeks to improve the overall fitness of boys and girls.

CAPITAL IMPROVEMENT PLAN
SURVEY

The City of Garden City recognizes the invaluable role of resident input and engagement in shaping the future of the community. With a commitment to transparency and inclusivity, the City is thrilled to announce the launch of its Capital Improvement Plan survey, powered by Zencity, a state-of-the-art community trust platform designed for local governments. The City of Garden City is seeking resident feedback to ensure proposed Capital Improvement Projects align with the community's needs and desires. Your participation is greatly appreciated, and all responses are confidential.
